*"TRUST"*

**Trust in the Lord, and do good; dwell in the land, and feed on His faithfulness. Psalm 37:3**

As my wheel touched the ice and I slid across the road, I realized I was out of control, and I was helpless to correct my situation. I remember praying "God, please be with me." I believe that trust in Him resulted in my feeding upon His faithfulness. Yes, I hit a tree, but the tree stopped me from rolling over. I was not hurt and the car can be repaired. God truly was faithful.

This caused me to think about the word trust. What does faith mean to you? To me it means **confidence** that God is in control and "We know that all things work together for good to those who love God, to those who are called according to His purpose" Romans 8:28. It means **expectation** that God is going to do a good work in us, "Being confident of this very thing that He who has begun a good work in you will complete it. . . ." Phil 1:6. It means **reliance** on Him, "I can do all things through Christ who strengthens me" Phil 4:13.

"Trust in the Lord with all your heart, and lean not on your own understanding" Proverbs 3:5.
